

Forest Management Task Force

Monday, July 8, 2019, 1:00 – 3:30 PM
Coastal Room, CalEPA
1001 I St, Sacramento, CA 95812

FMTF Vision Statement:

Utilizing the goals of the California Forest Carbon Plan, the Task Force will lead the State's efforts to measurable contributions toward a healthy forest that maintains and enhances the array of benefits provided by California's lands, now and in perpetuity, to ensure the co-equal goals of public safety and welfare, environmental health and diversity, and economic vitality.
